SUPPLEMENTAL RESPONSE AFTER FINAL REJECTION

Sir:

Applicants hereby submit the instant Supplemental Response After Final Rejection to correct minor typographical errors in the Supplemental Response After Final Rejection previously submitted on July 28, 2011.

Applicants acknowledge receipt of the Advisory Action mailed March 9, 2011, in which the Terminal Disclaimer is again objected to because the Declaration/Oath includes more than 10 attorneys listed. In response thereto, Applicants respectfully name Jeffrey L. Costellia, Reg. No. 35,483, as a practitioner to be made of record in the above-identified application in order to make the Declaration/Oath acceptable, and thereby, permit acceptance of the Terminal Disclaimer.

In addition, Applicants attach a copy of the Application Data Sheet that lists Customer No. 22204, which is associated with Applicants' representatives. The undersigned notes that similar filings have been previously considered acceptable by the USPTO to overcome similar issues with a Declaration/Oath.

If a conference would be helpful in expediting prosecution of the instant application, the Examiner is invited to telephone the undersigned to arrange such a conference.

Respectfully submitted,

NIXON PEABODY LLP
